Ahh... ADVENT AIR

You'll be sure to beat the heat with an Advent air conditioner. All Advent air conditioners are designed to meet the rigors of the RV Lifestyle and engineered to meet ASA Electronics' high quality and operating standards. This includes premium features such as an extremely rigid frame made of composite foam and metal parts allowing for quieter operation, removable and washable filters, extra-thick water seal gasket, and non-ozone depleting, environmentally friendly refrigerant.

All Advent air conditioners are covered by ASA's No-Hassle, 2-year Warranty.

Best of all, Advent air conditioners can easily replace your current unit, even Coleman and Carrier* roof top units.

**Requires additional kit purchase.*

SWIVEL FITTINGS

for a more secure RV sewer hook up.

STARTING AT $38.33

ALL-IN-ONE SEWER KIT
with pre-attached fittings
includes Locking Rings and Storage Caps

CAMCO

RHINOFLEX™ RV SEWER KITS

We started with a RhinoFLEX sewer hose and pre-attached, specially engineered fittings to make it even more convenient for you. At the RV end, there is a super-tough bayonet fitting with 4 bayonets for a more secure fit. At the dump-station end we've added a translucent elbow that separates from the 4-in-1 adapter for easy storage. All swivel fittings feature locking rings to stay secured to the hose. Bayonet cap and elbow cap also included. Patent pending.
